EU Declaration of conformity

1 Device identity

Art.no	Product name	MDR Class
NT-820MVU	NODIN 4-Folded MEDEVAC Stretcher	Class I

2 EU Declaration of conformity

Name and address of the manufacturer:	NODIN Aviation AS Gauterødveien 53 N-3154 Tolvsrød Norway
Basic UDI-DI:	7090067320008
NSN:	6530-25-160-2914
Intended purpose:	NODIN MEDEVAC Stretcher is used in emergency situations for transporting injured or incapacitated individuals. The stretcher, together with its additional equipment, can also function as a Field Bed for resuscitative surgery with IV pole, medical rails and medical table attachments, as a "Field Surgical Workstation". The stretcher can also be used in narrow passages such as holes or cracks in collapsed buildings, since the patient is secured with 7-point safety harnesses and will always be secured regardless of the orientation of the stretcher.
Risk class:	Class I according to Rule 1
Reference to any CS used and in relation to which conformity is declared:	-
Conformity assessment procedure performed:	Self-Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of the manufacturer.
The device that is covered by the present declaration is in conformity with Regulation (EU) 2017/745.
This declaration of conformity is signed by electronic signature including date of issue of the declaration. Name and function of the person who signed is indicated in the header. Place of signature shall be interpreted as electronic signature.

Signed for and on behalf of NODIN Aviation AS:

Tolvsrød, Norway 2024.11.27
